### **Finishing**

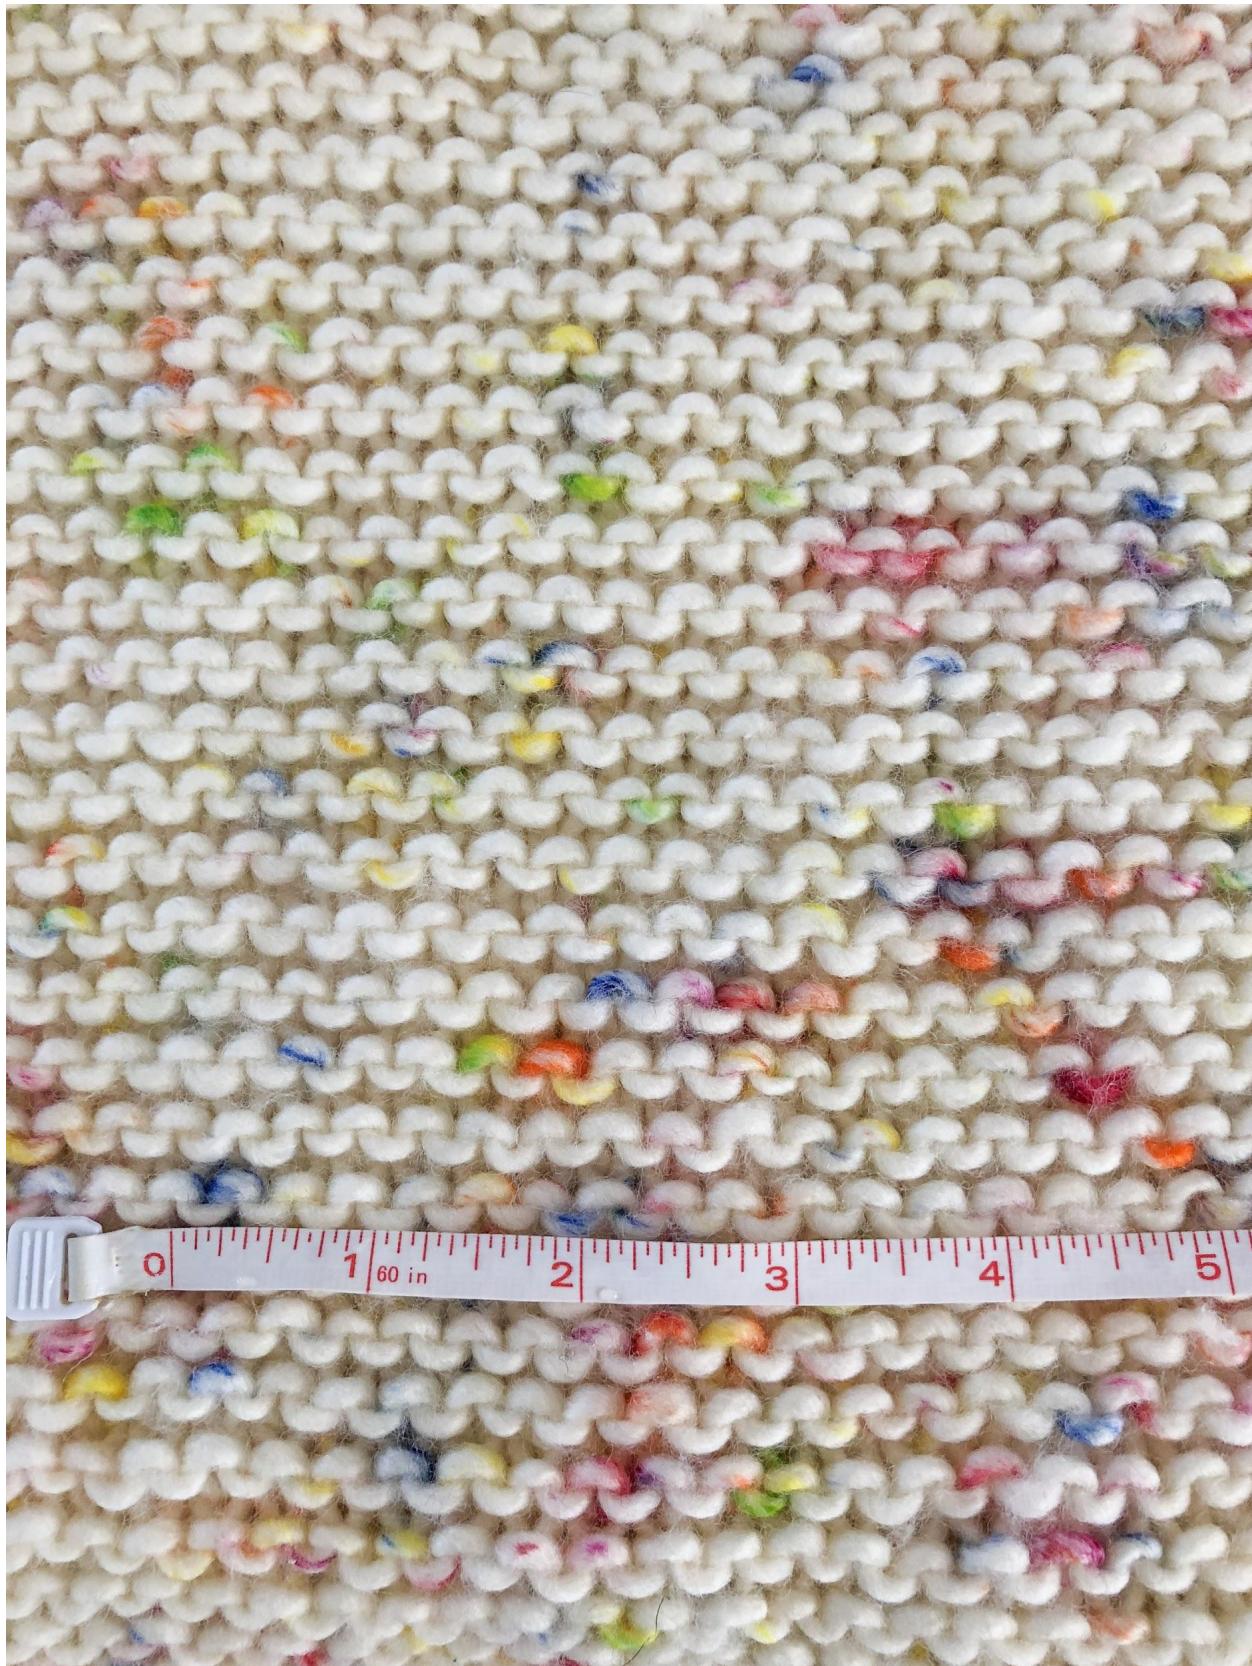

Lay both body pieces down, right side up, bound off edges matching up. Seam in 7" on each side to create the head opening.

Take the sleeves and lay them down, right side up, on either side of shoulders. Seam all the way across.

Fold your sweater in half, right sides facing out. Seam up the sleeves and sides. Since there isn't much to the sides, just keep going in one straight line.:)

Weave in ends! ❤
